THE ANNUAL QUR'AN COMPETITION

The Qur'an Competition is held annually. Students who are selected based on their memorization, tajweed rules, and pronunciation, compete in the final round. The competition encourages students to work harder. Families enjoy the program, watching their children recite at the annual community event in May.

The Competition is an opportunity for students to showcase their skills, putting it to the test of a panel of judges. As the students make their parents proud, they boost their confidence and are motivated to continue to work hard to perfect their memorization of the Holy Qur'an.

The competition is open to the public.
